

FLUSH MEMORIALS (MARKERS)

No upright grave memorial monument shall be erected within Brookside **except in designated upright sections and estate lots.** All grave memorials shall be set so that they will not protrude above turf level.

MATERIALS: Only cast bronze grave memorials shall be used in Brookside, except that if Brookside shall have permitted a lot owner (during a time such as World War II when bronze was not available) to place a memorial made of any other material on his lot, the lot owner may place other memorials of like material and workmanship on his lot. If a memorial made of any material other than bronze has been or shall be placed in Brookside, Brookside shall never be liable for damage thereto. The bronze used in memorials shall be statutory bronze made only of the best grades of virgin metals containing:

Copper:	not less than	87	percent
Tin:	not less than	5	percent
Lead:	not more than	2 ½	percent
Zinc:	not more than	5	percent
Other			
Elements:	not more than	1	percent

A vase used with a memorial must be an integral part thereof. **Only one vase per memorial permitted.**

WORKMANSHIP: Memorial inscriptions, lettering and ornamentation must be of proper proportions for the size of the memorial. The memorial must be free of imperfections and must be of high-grade craftsmanship in every respect. Brookside reserves the right to reject and to refuse installation of any memorial which does not reflect high grade craftsmanship. **All memorials must be pre approved by Brookside before manufacturing**

DIMENSIONS: Memorials placed in Brookside shall conform to the following dimensions:

- (a) Adult individual memorials shall be not less than 16 inches in width and 12 inches in length.
- (b) Companion or family memorials shall be not less than 42 inches in width and 13 inches in length.
- (c) Child memorials shall be 16 x 8, 20x10, and 24x12 depending on section.
- (d) Corner posts shall not be less than 6 inches square.
- (e) Memorials placed in the section of Brookside known as the Garden of the Urns shall be not less than 8 inches in width and 4 inches in length.

No memorial shall exceed 60 inches in width or 20 inches in length.

Brookside reserves the right to reject and to prevent installation of any memorial which does not comply with the foregoing dimensions. Brookside also reserves the right to reject and prevent the installation of any memorial that contains a cameo, dedo, or ceramic in which the covered frame does not slide from side to side or if it is made of a lesser material than bronze or if the frame is thicker than ¾". Before a memorial with a cameo will be accepted, **a cameo waiver must be filled out.**

The term "width" as used herein shall mean the distance from the left side to the right side as the inscription on a memorial is read.

INSTALLATION: To insure uniformity of memorial installation and the beauty of the cemetery, all memorials shall be installed in either concrete or on a granite base. **If the memorial is to be placed on a granite base, the memorial must be bolted to the granite base before bringing to Brookside.** Brookside assumes full responsibility for construction of the concrete foundation and installation of memorials. The cost of installation shall be paid in advance in accordance with the schedule of installation rates on file in the office of Brookside, which schedule shall be subject to change without notice. Each memorial shall be provided with not less than four lug receptacles cast integrally to the memorial, except child and Garden of the Urns memorials which shall be provided not with not less than two lug receptacles cast integrally to the memorial, drilled and threaded for bronze or brass anchors, which anchors shall be not less than 3/8 inch in diameter. All memorials shall be placed at the east line of the grave space with the following exceptions:

- (a) In sections of Brookside with walkways memorials shall be placed adjacent to the walkways.
- (b) Family memorials may be placed in the center or at the rear of a family plot containing four or more grave spaces.
- (c) In sections of Brookside requiring installation of memorials in a special manner, memorials installed in such sections shall be placed in the manner prescribed for such sections.

Authority from the lot owner to inter human remains on a lot shall constitute irrevocable authority from the lot owner to the next of kin and to Brookside for the installation of a memorial thereon selected by the next of kin. Interment of human remains on a lot owned by another shall constitute irrevocable authority from the next of kin to the lot owner and to Brookside for the installation of a memorial thereon selected by the lot owner. If the lot owner or the next of kin shall not have caused a memorial to be installed within one year after the interment of human remains on a lot, the lot owner and the next of kin irrevocably authorize any interested person to cause a memorial to be installed on the lot.

REMOVAL OF MEMORIALS: No memorial shall be removed from Brookside except upon written authority signed by the lot owner and by the next of kin, except memorials which shall be repossessed for non-payment of the purchase price, in which event the authority of neither the lot owner nor the next of kin shall be necessary. All removals of memorials shall be made only by Brookside, the cost of which shall be paid in advance in accordance with the schedule of rates on file in the office of Brookside, which schedule shall be subject to change without notice. **All memorials must be checked in by super attendant or dedicated person at Brookside. * Any exception to the above rule must be approved by Management. **EFFECTIVE Sept. 17, 2012**
