Marker specifications (please circle): Flat   Upright   Ledger   Bench

Length: _____ Width: _____ Thickness: _____ *Base Size: _____
PLEASE ATTACH A DRAWING.
Foundation surfaces should be smooth with concrete mixed well and forms removed before setting monument or marker. No dry setting.
All foundations should have rebar and piers where needed for stability.
Note: Base sizes are not to exceed 40" width per space.
ALL monuments and markers are required to have at least one vase.
All monuments and markers should be made of bronze, cemetery grade granite or marble or a combination of any of the three materials.
***Proof of Insurance required to be filed in cemetery office with HHC listed as additional insured.** No putty or setting compound may be used.*
All uprights should be doweled and pinned.
Clear Silicone Epoxy or Domo Epoxy may also be used to secure the monument.
I hereby declare the above information is correct and hereby agree to abide by the Rules and Regulations set forth by Historic Hollywood Cemetery, Inc. I understand violations of these regulations could result in injury or death and I assume all liability that arises from a monument that I set or foundation I pour. I further understand, HHC requires me to be in compliance with those rules and regulations and that failure to do so may lead to barring my Company from performing any and all work on the cemetery grounds.
